The Girl in 14G

Jeanine Tesori (b.1961)

Jeanine Tesori has composed music for several fabulous musical theater shows: *Violet*, *Thoroughly Modern Millie*, *Shrek the Musical*, *Fun Home*, and more. This piece is not from a larger show, but rather a 'cabaret'-type, stand-alone song written expressly for the singer and actress Kristen Chenoweth, who recorded it in 2001. It follows Tesori's personal experience moving to New York City and not being able to sleep from all the noise.
